MEMORANDUM FOR THE RECORD

Morning Meeting of 12 November 1968

DD/I advised that Ed Allen has returned from a recruiting trip to ten universities and reported that his reception was excellent.

Godfrey noted that the enemy lobbed more mortar rounds from the DMZ and that air strikes were called against them.

Godfrey reported that twenty-six of the sixty-man North Korean infiltration team have been rounded up in South Korea. The team's mission was apparently to establish agent nets inside South Korea.

Maury advised that Senator Jackson was briefed Saturday on the NATO security cases and political developments in the Warsaw Pact.

Maury noted that Senator Cooper's speech on the invasion of Czechoslovakia followed the general lines of our briefing of him.

DD/S&T briefed on his session yesterday afternoon with the ACDA advisory group.

DD/S&T noted that Zond-6 contains no new developments and that the most likely issue for the Soviets is whether they will be ready to go for a manned circumlunar shot.

The Director noted the report from a Cuban refugee on Castro's intentions toward Haiti and the Dominican Republic. He asked that a sharp eye be kept on developments in this area.

\*The Director noted [ ] that Ambassador Korry wishes to visit the Director during his trip to the United States. The Director asked the DD/P to follow up on this.
